## Country reassignment at the Q4 2024 Review, effective December 23<sup>rd</sup>, 2024

Dear Customer,

STOXX Ltd., the operator of ISS STOXX index business and a global provider of innovative and tradable index concepts, today announces the country reassignment for the following securities effective December 23<sup>rd</sup>, 2024.

- **HUT 8 CORP.** (ISIN: US44812J1043) will change its country assignment from Canada to United States, pursuant to the Chapter 5.7 «Country assignment of securities» of the «STOXX Index Methodology Guide».

### New Country Assignment of Securities

Internal_Key	ISIN	RIC_Code	Instrument_Name	Country	Currency
CA13D3	US44812J1043	HUT.OQ	HUT 8 CORP.	US	USD

In order to ensure the replicability and stability of the relevant indices, the change will be performed in line with the December 2024 review.

STOXX will initially maintain the nationalities as stated above. Any potential nationality reassignment will be assessed during the quarterly review process and linked to the liquidity of the eligible listings.
