Methodology Change – Expansion of the Classic and Technology All Share Indices

Dear Customer,

STOXX Ltd., the operator of ISS STOXX' index business and a global provider of innovative and tradable index concepts, announces a methodology change to the Classic and Technology All Share Indices effective with the ordinary review on September 23, 2024.

Overview of the Changes

With the ordinary review on September 23, 2024, companies that are components of DAX and companies that are listed in the General Standard of Frankfurt Stock Exchange become eligible to enter the Classic and Technology All Share indices.

The updated DAX Equity Index Methodology Guide will be published on September 23, 2024.

Affected Indices

Classic All Share

Technology All Share
